If DEQ gives the files to Joe Walczak – he can download them to the Site Assessment Sharepoint and then I can download them for you.  
Don't have any other way on our end.

Nuria,  
I have to get some files from MDEQ on State Disposal Landfill and need either an FTP site or sharepoint. How hard would it be to run them through the site assessment sharepoint. I may be able to do it through an RTP sharepoint.
